

## Revision process for Sanlam Umbrella Fund ILLA members

Members are eligible to review their ILLA income effective 1 March each year.

Sanlam prepare and issue revision letters to members in November.

Letters are sent via e-mail to members and their adviser (if on record) is copied in the communication.

Members who wish to revise their income, must complete the Fund's income revision [form](#). In cases where no member e-mail address on record, the information is posted to the member.

Signed instructions must be forwarded to:

- Return email address:

[SanlamEB@sanlam.co.za](mailto:SanlamEB@sanlam.co.za)

- Return postal address:

PO BOX 1, Sanlamhof, 7532

The review letter includes a quote on the Fund's guaranteed annuity – for in case the member wants to consider this option.
